HOW TO GET TO JEREMY'S at BORDE HILL

FROM THE NORTH

Take the M23 south past Gatwick and take exit 10A onto the B2036 to Balcombe – about 4 miles. When you reach to 30mph zone at Balcombe, take left at the sign to “Balcombe Village”. Go straight through the village towards Haywards Heath for about 3 miles. You pass through woods and farmland and you go down a fairly steep hill with the old railway viaduct on your right. Continue up the hill, go under a railway bridge and climb up another winding hill. When you come down from that hill, the Borde Hill Estate entrance is on your right. You take right into the estate and drive up the hill where you'll find Jeremy's and the car park on your right at the top.

FROM THE SOUTH or EAST

Join the A272 when convenient and go into Haywards Heath. Find the Broadway, which runs north from the one-way system down the hill to the station roundabout where you'll see a brown sign for “Borde Hill Gardens”. Go straight over the roundabout past the fire station on your left to the T-junction. Turn left under the railway bridge and follow that road for about a mile. You'll pass through a residential area and then you start to go down a hill at the bottom of which is the entrance on your left to Borde Hill Estate. Turn Left into the estate and drive up the hill where you'll find Jeremy's and the car park on your right at the top.

FROM THE WEST

Coming from the west, you can avoid Haywards Heath by joining the B2036 and going into Cuckfield. There is a small T-junction roundabout with a sign to Ardingly. Take this fairly narrow road through a residential area and continue on. After about half a mile the countryside opens up and the road winds its way for about a mile to a T-junction where you turn left towards Balcombe. Proceed down the hill and at the bottom on your left you will see a sign Borde Hill Estate and Jeremy's. Turn Left into the estate and drive up the hill where you'll find Jeremy's and the car park on your right at the top.
