“A contemporary restaurant in a classical setting”

Jeremy's Restaurant is one of those rare finds – a vibrant, contemporary styled restaurant set within a classical English garden setting. Located in the heart of West Sussex, this award-winning restaurant has achieved a fine reputation as a stylish and beautiful venue for weddings, civil ceremonies and special occasions.

The restaurant itself is suffused with light and overlooks the enchanting Victorian walled garden with its sweeping lawns and vine covered walkway, providing a perfect backdrop for photographs and drinks on the day.

Whether you choose to hold a wedding breakfast, buffet or full sit-down reception, Jeremy's can accommodate up to 55 guests in the light-filled restaurant or 70 guests reception style. In addition to the excellent restaurant facilities, for larger weddings of up to 120 seated guests, or 200 canape style, we have a beautiful expanse of terracing overlooking the gardens for a marquee wedding. This is popular not only in the summer months, but also autumn and winter.

Menu choices feature seasonal and local produce and the imaginative, carefully crafted wine list offers a range of styles chosen to perfectly complement the flavours of the dishes. Combine this with the talents of chef proprietors, Jeremy and Vera Ashpool and their team who are passionate about the quality of food and standard of service and you have the recipe for an unforgettable occasion.

Weddings and events

The combination of facilities, menu choices and vast experience that the team has in handling the small, intimate family celebration as well as the larger event, makes this a very special venue for the south east.

We understand that your wedding day should be a memorable occasion for all the right reasons and to achieve this, we aim to help you through every stage of the planning process. Our menu choices are suggestions for receptions, parties and events, however these do not preclude you from choosing from the restaurant menus. We can also provide suggestions and quotations for floral displays, music and entertainment should you so wish.

However, we do ask one thing, as this service is tailor-made to suit your individual requirements and budget we do strongly recommend that you come and visit us at the restaurant at the very early stages, to view the facilities and talk to us in person about your wishes for the day.

Civil ceremonies

Jeremy's Restaurant is licensed to hold civil ceremonies, so now you can celebrate in style with both your ceremony and reception in one place.

Our license allows 55 seated guests to attend the ceremony and the charge is £550, including two vases of flowers on either side of the registrars in colours chosen to complement your theme. We are also able to assist with music to accompany your entrance, either live such as string quartet or harpist, or a piece from your special collection.

Quotes

“We had an amazing day and much of that is thanks to everything you did for us – it couldn't have been better.”

“A very big thank you for organizing such a fantastic reception for us – the food was wonderful and ‘fit for a queen.’”

“Your calm and faultless organization on the day made the occasion even more enjoyable than we had expected.”

“Thank you for your recommendations for the band and photographer, who both worked so well for us.”

Terms and conditions

Our quotations and price lists are statements on the basis of which the company (Jeremy's Restaurant Ltd) will be prepared to receive offers to purchase our goods and services. We shall be deemed to have accepted such an offer and the customer shall be deemed to have accepted our terms and conditions upon receipt of a deposit of £10 per head, together with written acceptance of our quotation. Until such time as a deposit is received by us and acknowledged, no contract exists.

In the event of cancellation, a £50 administration charge is levied. The deposit is not refundable within twenty-four weeks of the reception/party. If however, due to unforeseen circumstances, your reception/party has to be postponed, 50% of your deposit will be credited towards a future reception, provided this is booked within six months of the original reservation.

A 10% service charge will be added to your reception invoice.

We request that lunchtime parties vacate by 5.00 pm. Any damage caused by guests to the sculpture and exhibits in the garden will be the responsibility of the hosts.
